Officer Harder,

The safety presentation you and Officer Sam Davis delivered on our August 26, 2009 Professional Development Day was outstanding. You and your colleague provided our staff with valuable information and strategies to implement in the unfortunate event that a violent intruder enters one of our buildings. The presentation also served to reinforce many of the safety policies we currently have in place. Detailing what to expect and providing guidance as to how to react to law enforcement in these situations was both eye opening and valuable. The presentation was well received by our staff and overall feedback has been positive.

Obviously school safety is our number one priority at Windsor CSD. Thank you for sharing your knowledge and expertise in this important area. Windsor CSD looks forward to a continued relationship with your business.

Sincerely,
